

Apps for Participants

To send apps to the participants, you will need to purchase the app for each person attending. You may enter multiple people when purchasing, so you do not have to do this for each person. You will be charged for each person it will go to.

To do this you will need to have the following:

Apple ID - To sign into the app store.

Payment Method - A credit or card associated to the account to purchase the app.

Email addresses of participants - You will need the email address in order to send to those people. Only iOS devices will be able to receive the app at current time of writing.

Buying an app is as simple as clicking a few tabs and entering your Apple ID.

Step 1: Go to iTunes on your desktop or laptop.

Step 2: Find the app you want to gift.

Step 3: Click the arrow for the dropdown menu right next to the “Buy” tab below the app’s icon

Step 4: Select “Gift This App.”

Step 5: Enter the email address of the recipient. You can send an app to multiple recipients. You will be charged for each email address included as a recipient.

Step 6: Include a personal message. This will be included in the email notification that is sent to the recipient.

Step 7: Select the receive date.

Step 8: Click the “Next” Button.

Step 9: Select the theme. The email that the recipient receives will have a festive design relating to the theme you pick.

Step 10: Click the Next Button.

Step 11: Confirm your order and click the “Buy Gift” button. You will be asked to enter your Apple ID and password at this time.
